Leadership **Speak**

Mr. Sanjay Singhania
(Managing Director)

As we close out Q4 of FY 2024-25, I want to take a moment to acknowledge the efforts and dedication of each one of you. This quarter has been a time of reflection, growth, and preparation for the exciting year ahead. While we have made significant strides, there is still much to look forward to. Our teams have been working hard to prepare for the launch of the new sandwich panel production line at the Mambattu plant, set to begin soon. This will be a game-changer for our manufacturing capacity and will position us to better meet market demands.

As we move into FY 2025-26, our focus remains on innovation, maintaining high standards of quality, and ensuring sustainability across all our operations. The journey ahead is filled with opportunities, and with the commitment and passion shown by every team member, I am confident we will achieve even greater milestones together.

Thank you for your continued hard work and dedication. Let's keep pushing boundaries and working together to build a successful future for EPACK PREFAB.

Mr. Nikhel Bothra
(Director)

As we move forward, the one thing that continues to drive us at EPACK PREFAB is our ability to adapt, innovate, and lead with purpose. This quarter has been an important time to evaluate our strengths and prepare ourselves for the challenges that lie ahead.

In the coming year, we'll be doubling down on our commitment to providing solutions that meet the needs of a rapidly changing industry. From improving customer engagement to streamlining our processes, we are focusing on creating more efficient, impactful, and sustainable solutions for all stakeholders.

Our true strength lies in our people. I am confident that with the continued passion, teamwork, and dedication across all levels, we will not only meet but exceed the ambitious goals we've set for FY 2025-26. The future is bright, and I look forward to seeing what we can accomplish together.

Thank you for your relentless commitment to excellence

Corporate Highlights -

Ending the Year on a High Note

Expanding Manufacturing Capabilities - Laying Foundations for a Stronger 2025-26

We've started setting up a new continuous sandwich panel production line at our Mambattu plant in Andhra Pradesh. This facility will significantly boost our manufacturing capacity and enable us to meet the growing demand for high-quality sandwich panels. Production will begin soon.

In addition, we're already in the planning phase for another production line in North India, ensuring we stay ahead of market needs.

Driving Growth Through Knowledge & Strategy

On March 28th, we hosted an internal Sales & Marketing Knowledge Sharing and Strategic Meet at our Greater Noida Head Office. Under the guidance of Executive Director Mr. Nikhel Bothra, the session fostered meaningful discussions, aligning our teams on the path to innovation, collaboration, and future growth. This initiative will play a crucial role in shaping our strategies as we continue to build on our success and drive EPACK PREFAB forward.

Celebrating International Women's Day

#SheBuildEPACK

On March 8th, we celebrated International Women's Day with the theme #SheBuildEPACK. The event highlighted the significant contributions women make across all areas of our company, from leadership to operations.

Women at EPACK continue to push boundaries and lead the way in the industry, and we are committed to fostering an environment where everyone can thrive, regardless of gender.

360° Virtual Reality Tour

We've launched India's first-ever PEB Manufacturing Plant 360° Virtual Reality Tour of our Chiloth Manufacturing Plant. This innovative experience allows clients, stakeholders, and visitors to explore our facility remotely and gain insights into our operations. This initiative is part of our ongoing commitment to using technology to enhance transparency and engagement.

Safety Initiatives

First Aid Training

We organized a First Aid Training session led by the Indian Red Cross Society. Employees were trained on how to handle injuries, perform CPR, and react to medical emergencies, ensuring they are equipped to act quickly and efficiently in critical situations.

54th National Safety Week

Safety is our priority. During the 54th National Safety Week, we carried out activities to reinforce our commitment to safety. This included flag hoisting, mock drills, and safety workshops aimed at raising awareness and improving emergency preparedness across all sites.

Events & Exhibitions

Steel Construction Expo 2025

We showcased our prefab solutions at the Steel Construction Expo 2025 in Chennai, engaging with industry leaders and stakeholders. We discussed the future of prefab construction and how our innovative solutions can lead the way in metro construction and infrastructure development.

Employee Engagement & Celebrations

EPACK Premier League

The EPACK Premier League cricket tournament, held on March 3rd, was a fantastic team-building event. EPACK Warriors emerged as the champions, demonstrating teamwork and strategy. The event helped strengthen relationships across departments and fostered a positive, collaborative work environment.

Holi Celebration

On March 12th, we celebrated Holi with vibrant colors, joy, and camaraderie. It was a time for employees to come together, strengthening our bonds and celebrating unity and inclusiveness.

Industry Engagements & Partnerships

EPACK Townhall

On January 2nd, we held our Annual Townhall, where Mr. Sanjay Singhania, Managing Director – EPACK Prefab, along with other senior leaders, addressed the entire team. The session focused on the company's progress, upcoming projects, and our shared vision for 2025. The event also celebrated outstanding employees and spotlighted key strategic initiatives for the year ahead.

► *Campus Placement Drive at NIFS India*

On January 3rd, we held a campus placement drive at NIFS India, where we engaged with talented students for positions in Safety Management, Manufacturing, and Project Execution. This initiative is part of our ongoing effort to build a skilled workforce ready to take on the future of the prefab industry.

► *Visit by CRPF Officials*

On January 16th, CRPF officials visited our Head Office and toured our PUF Panel Manufacturing Plant. The visit allowed us to showcase our technology and discuss potential collaborations for providing advanced shelter solutions for CRPF's projects across India.

Project **Milestones**

Location: Greater Noida, Uttar Pradesh

Building Type: Warehouse
Area: 2.15 Lakh sqft

Delivered a cutting-edge warehouse for a leading automobile manufacturer.

Location: Varanasi, Uttar Pradesh

Building Type: Warehouse
Area: 2 Lakh sqft

Built for one of India's major supply chain service providers, showcasing our fast-track construction capabilities.

Location: Tinsukia, Assam

Building Type: Aeroplane Hangar
Area: 1.03 Lakh sqft

An ongoing project, demonstrating our expertise in engineering excellence.

Location: Butibori, Maharashtra

Building Type: Factory Building
Area: 5.47 Lakh sqft

Constructed for a global leader in Renewable solar energy manufacturing.

Location: Ghiloth, Rajasthan

Building Type: Factory Building
Area: 0.80 Lakh sqft

Constructed for a global leader in chocolate and cocoa manufacturing.

Location: Jaipur, Rajasthan

Building Type: Factory Building
Area: 3.71 Lakh sqft

Constructed for a top luggage and accessories manufacturer.

As we conclude FY 2024-25, we're ready for the challenges and opportunities that lie ahead. We'll continue focusing on innovation, growth, and excellence in everything we do, and together, we'll make FY 2025-26 another successful year.

Warm Regards,
EPACK PREFAB
